RE: Anchor Reservoir, Permit No. 6902R  
Extension Request

Dear Special Master Kropf:

As set out in Judge Hartman's Order dated March 5, 2008, my agency is reporting to you that on March 24, 2008, my office received a request for extension from the Owl Creek Irrigation District for the unadjudicated portion of Anchor Reservoir, Permit No. 6902 Res. The request for extension of time is for completion of beneficial use of water from the reservoir and the time requested is until March 31, 2013.

My office will be considering this extension request in the near future. If you have any questions or concerns, please don't hesitate to contact me or my staff.

With Best Regards,

Patrick T. Tyrrell  
State Engineer
